"ALL O. K. FOR THE BLOOD"

Is What a Citizen of Georgia Says of ZIRON, the New Iron Tonic.

Iron is needed by the blood to keep men and women strong and healthy. Iron is needed by the nerves to keep them toned up. Ziron, the new iron tonic, will put iron into your blood and should help renew your lagged nerve forces in the way it has done it for many others.

Read what Mr. J. R. Bell, Rt. 2, Oconee, Ga., says about the effects of Ziron:

"I think Ziron is all O. K. for the blood. That was what I have been taking it for my blood. I liked Ziron so well that I went back to the store and got two more bottles of it."

Ziron is a combination of a pure medicinal inorganic iron salt, mentioned in the U. S. Pharmacopoeia, with the hypophosphites of lime and soda, and other valuable tonic ingredients, endorsed and recommended by the best medical authorities and mentioned in the medical text books.

All druggists sell Ziron on a money-back guarantee. Look for the formula on the label. Get a bottle today, and give it a fair trial.

WHY HAVE "SPRING FEVER"

Why Worry, Fret, and Get
Nothing Done, Just Because Your Blood Is
Sluggish.

Your Blood Needs Strengthening.

People Nowadays Take That
Wonderfully Effective
Blood Tonic, Pepto-Mangan--Your Druggist Has It.

Really, isn't it foolish to be handicapped for weeks in the Spring, just because your blood is sluggish?

The glorious Spring days! You ought enjoy them, instead of feeling unhappy and half asleep--just too tired out for anything. You ought to be finding new vigor for your work in the Spring air--"pep" enthusiasm, happiness!

But you can't, because your blood is clogged with poison. For long months it has had too little fresh air and has fought off many germs. And it now has heat-making properties that are not needed in warm weather.

Don't work under a handicap, when it isn't necessary at all. Clear up your sluggish blood. Give it help. Get some of that famous blood purifier and tonic, Pepto-Mangan.

Pepto-Mangan is used by physicians everywhere. You can buy it at any drug store in either liquid or tablet form, just as you prefer. There's no difference in medicinal value.

Make certain that you get the genuine Pepto-Mangan. Ask for "Gude's" Pepto-Mangan, and see that the name "Gude's" is on the package.--Advertisement.

NINE YEAR OLD GIRL WRITES.

Clayton, N. M.
March 19, 1920.

To my many friends and relatives.

I am a very small girl, nine years of age, and daughter of Mr. and Mrs. T. H. Chaffin. Perhaps but few of you know me, but many will remember my parents.

We moved from Cookeville, Tenn., to New Mexico March the 6th 1918. I was very small but can remember some of my little cousins. Shall never forget the happy night we spent at uncle John Chaffin's, the night before we left. Aunt Olive popped corn and brought in a big pan of apples and we enjoyed life.

I wonder if Erman still has his little dog. We have a big shepherd dog. His name is Tige. We live on a farm and have a gentle pony, that my little sister and I both ride. We drive to school 2 1/2 miles. I am just finishing fourth grade. Our school will close April 28th.

I have three brothers and one sister and we all go to school. My oldest brother attends Clayton High School. He will be 18 March 21. Alvis, my second brother is 15 and Harold 12. I also take music and like it best of all. We have fine schools here.

We like the children very much.

Now I will close for this is my first attempt to write a letter to be published. It may not be very interesting to many of you, but will try to do better as I grow older.

Vela A. Chaffin.

Pasco Swearingin says he is going back to his farm soon.

Richard Lawson and Jim Smith are the champion pool players in Coalinga.

Demand to Dog Owners.

By authority vested in me as County Tax Assessor under the acts of the General Assembly of 1919, I demand the license fee on all dogs of any kind or breed, six months old or over. Senate Bill No. 487, Sec. 4, reads as follows:

"Be it further enacted, That any person who shall keep or harbor any dog and shall not have paid the County Assessor or Trustee the license as above specified within thirty days from the date on which the County Tax Assessor demanded payment and received his receipt for such payment, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be fined not less than ten nor more than fifty dollars by any court having competent jurisdiction thereof."

Section 9 reads as follows:

"Be it further enacted, That it is hereby declared a misdemeanor for any person to keep, own or harbor any dog or dogs, as above provided, who has not paid the County Assessor or County Trustee the required license fee on such dog or dogs, and upon conviction thereof shall be fined not less than ten nor more than fifty dollars by any court of competent jurisdiction."

The above demand is made this March 15, 1920.

Yours most respectfully.

A. O. Birdwell.
County Tax Assessor.

Keep Well

Do not allow the poisons of undigested food to accumulate in your bowels, where they are absorbed into your system. Indigestion, constipation, headache, bad blood, and numerous other troubles are bound to follow. Keep your system clean, as thousands of others do, by taking an occasional dose of the old, reliable, vegetable, family liver medicine.

Thedford's

Black-Draught

Mrs. W. F. Pickle, of Rising Fawn, Ga., writes: "We have used Thedford's Black-Draught as a family medicine. My mother-in-law could not take calomel as it seemed too strong for her, so she used Black-Draught as a mild laxative and liver regulator. We use it in the family and believe it is the best medicine for the liver made." Try it. Insist on the genuine Thedford's. 25c a package.

We Sell Genuine International Repairs

Made For

The  Line

By the

INTERNATIONAL HARVESTER COMPANY

REPAIRS made for International implements and other farm equipment by the Harvester Company are the only repairs made from the original patterns. All others are copied from copies, and in this roundabout reproduction they may lose in correctness of shape, sharpness of detail, closeness in fitting, and quality of material. These repairs are made for Deering, McCormick, Milwaukee, Titan and other International-made machines.

Genuine  Repairs

Are Better in Quality
Fit Better and Wear Longer

The Harvester Company stands back of its machines. Be fair in the matter. Do not substitute imitation repairs for the genuine and expect best service. Repairs made by other concerns and marked "Made for" or "Will fit", are not genuine IHC repairs. They often lack weight, are not always correct in shape, are imperfectly finished, do not fit properly, or are made of inferior material. Buy Genuine International Repairs for your International Farm Equipment.
